Peak of Transfer

-  Group 1 - 2000 to 2014
-  Group 2 - 2015 to 2039
-  Group 3 - 2040 and after

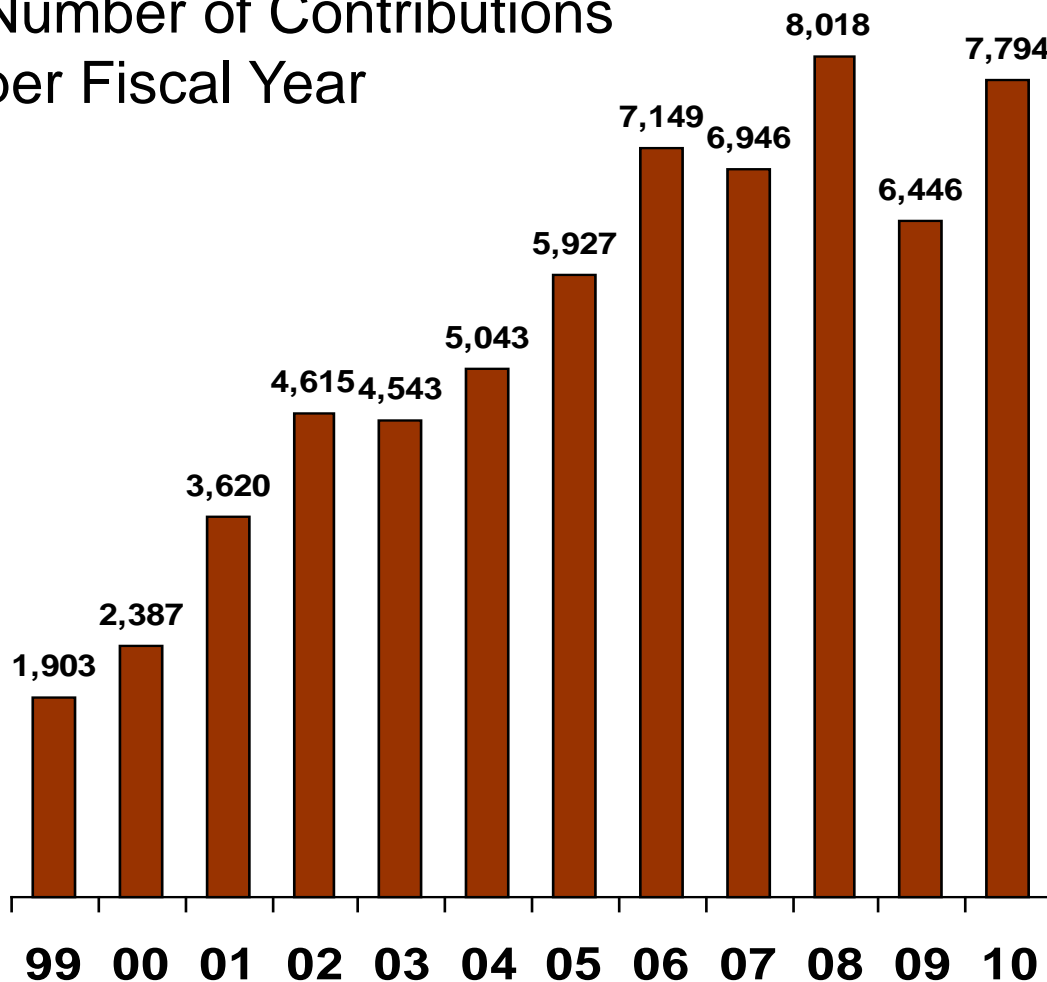

1. Awareness Building

Use the TOW Opportunity to:

- Build philanthropy and endowments
- Prove that capital is not the limiting resource to community development
- Achieve sustainability (by using Asset Based Community Development)
- Break out of a cycle of dependency

NCF System Seeks to Engage Everyone

Number of Contributions
per Fiscal Year

Fiscal Year 2010

- 7,794 gifts to 139 affiliated funds
- 1,796 gifts from first time donors

2. Challenge Grants

- Familiar fundraising tool
- Community must raise match of 2:1, 3:1, etc.
- Leverage many gifts

- Build community capacity

Challenge Grants to build community endowments

- 44 issued; 31 complete
- \$1.5MM grants issued; \$3MM raised locally
- \$5.8MM endowed
- 88 expectancies = \$10MM
- Very few communities had an unrestricted endowment before receiving a challenge grant

3. Tax Incentives/Public Policy

Individual and Corporate Tax Credits

- Individual tax credits range from 15% to 50% of the donor's eligible federal tax deduction
- Corporate tax credits range from 10% to 40% of the charitable donation

Direct Appropriations/Grants

- Endow Iowa grants

Rural Philanthropy Growth Act (RPGA) Proposal

1. Establish USDA Office of Rural Philanthropy
2. Provide challenge grants to economically distressed rural counties to build geographic unrestricted endowments
3. Provide capacity building grants to community foundations to build local capacity to match challenge grants
